

Team Obama/Biden

Instructions for the Team Obama/Biden spreadsheet

In Chapters 5 of the President of Hope and Change I presented President Obama in some depth as to his individual energy patterns and the energy patterns between the USA (country) sky map and the personal energy of the president. I outlined both the connections and the missing links between those energies. In Chapter 6 I explained the energy of Vice President Biden and his connections (or lack of them) to the USA chart. As explained in the book, the presidency is a close collaboration between the president and his vice president out of necessity with the Vice President a heartbeat away from the Presidency. What we elect is a team. The team chart represents the synergy between the men and the effect it has on the country.

The astrological back up for this material on President Obama is already on this website:

- 1) his personal chart,
- 2) Four Presidents Patterns.

The back up for Vice President Biden and Team Obama/Biden is presented in three parts:

- 1) Vice President Biden's personal sky map,
- 2) The composite sky map (synergy) between Obama and Biden, how they interact as a team and how they affect each other.
- 3) The spreadsheet to illustrate those combinations.

This spreadsheet is an interface listing of the activity of the two men, the team, and the country they serve from their birth map perspective and from their inaugural perspective (progression). The aspects used were conjunctions and oppositions only, 5° orb (tight).

Natal and progressions at inauguration are the positions listed:

- nats at the top of the spreadsheet in black,
- progressions are listed in blue,
- the team is listed in red.

Natal (birth energy (in this order):

- 1) Obama to USA,
- 2) Biden to USA,
- 3) Obama to Biden,
- 4) Team to USA.

Inaugural Jan 20, 2009 energy (in this order):

- 1) USA Inaug to USA natal,
- 2) Obama natal to USA inaug,
- 3) Obama inaug to USA Inaug,
- 4) Biden natal to USA inaug,
- 5) Biden inaug to USA inaug.
